The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.
This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-877-234-5550. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	Tier 1: $0 Tier 2: $1,500 person/$2,500 employee+1 & family Tier 3: $3,000 person/$6,000 employee+1 & family	Tier 1: See Common Medical Events chart below for your costs for services this plan covers. Tiers 2 & 3: Generally, you must pay all costs from providers up to deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until total amount of deductible expenses paid by all family members meets overall family deductible.
Are there services covered before you meet your deductible?	Tier 1: Not applicable—there is no deductible. Tiers 2 & 3: Yes. Preventive services, physician office visits and routine vision exams are some of services covered before you meet your deductible.	Tier 1: Not applicable. Tiers 2 & 3: This plan covers some items and services even if you haven't yet met deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	Medical out-of-pocket limits: Tier 1: $2,250 person/$4,500 employee+1 & family Tier 2: $3,400 person/$6,800 employee+1 & family Tier 3: $5,150 person/$10,300 employee+1 & family Prescription drug out-of-pocket limits: $2,000 person/$4,000 employee+1 & family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Preauthorization penalties, premiums, balance-billing charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See www.southcoasthealthplan.org or call 1-877-234-5550 for a list of network providers.	You pay the least if you use a Tier 1 provider. You pay more if you use a Tier 2 or 3 provider. You will pay the most if you use an out-of-network provider (Tier 4) and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance-billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
